My dear Sir.

In the Dept. contract Board with C. Parsons, I have omitted rates for the City & Dist of Bangalore. The Divn authorized me to offer 3/4 (Q.P.) annas for the City and One annas for the Dist: Parsons says the rates would hardly justify him; he wants

One annum for the City the
Ink Sanitioned & Mr Smith
for the Contt for five years,
& One & a half annum for
the Dist; for the City
3/4 annum is not sufficient
and I think he may be
satisfied with it & he
may be given 10 P Cent
which will be enough. For
the Dist One & a half
is not high; I think the

23rd April 92

My dear Sir,

Mr. Madhava Row has reported that the Vend farmers of the Bangalore District (outside the city) would like to take their arrack direct from the Distillery and do not want an intermediary.

Under such circumstances I have informed the Deputy

Commissioner under the Dewan's instructions that the farmers are at liberty to take the liquor from the distillery as preferred by them. As regards the supply now being done by Chik Papanna the Dewan orders that he should stop this from 1st May. The Deputy Comr has been desired to warn the farmers at once of their having to take the liquor

themselves from the distillery from the 1st May:

For the supply to other Districts the annexed English draft of agreement is approved by the Dewan and the Dewan desires that it should be executed without further delay.

It will be most convenient to have the agreement executed in Canarese.

A similar separate agreement has also to be executed

for the Supply to the Bangalore city. For this supply 9 pies per gallon, the Dewan considers, is the proper rate. If necessary ~~to~~ ten pies may be agreed to.

For the supply of the Bangalore district outside the city for the one month of April we can settle with him hereafter easily as we know what he claims and therefore the maxi-mum limit.

I am &c.

The farmers refuse to pay anything to Papanna and are prepared to take their arrack direct from Distillery. I understand Papanna is supplying his depôts as usual & the farmers now draw their supply from Papanna's depôts. Papanna apparently does this in the expectation of getting something from the farmers

READ:—

The following letter from the Excise Commissioner, No. 6057—389, dated 18th May 1893:—

I have the honor to report that, under Government Notification No. 17583—R. F. 308-92, dated 25th April 1893, tenders for the exclusive privilege of establishing Bonded Depôts at the Bangalore City and in all the Districts except the Bangalore District, and transporting thereto, country spirits from the Government Central Distillery, Bangalore, *under bond*, and distributing the same to the respective arrack vend farmers and separate shopkeepers attached to the said Depôts, during the period of four years beginning with 1st July 1893, and ending with 30th June 1897, were received to day in my office, and opened in the presence of such of the tenderers as were present, with the results shown in the accompanying list.

2. It will be seen from the enclosed list that, of the tenderers both for the Bangalore City and all the Districts except the Bangalore District, Messrs. Bajjanna and Maigonda Deva Mudaliar have jointly offered the lowest rates. Mr. Bajjanna is the agent of the present contractor Mr. C. Papanna, and Mr. Maigonda Deva Mudaliar is the adopted son of Mr. Rai Bahadur A. Narainsawmi Mudaliar. I have accepted their tender both for the Bangalore City and all the Districts, except the Bangalore District, and beg to recommend the same for the approval of Government.

3. M. Subba Rao, Ganja Contractor of the Civil and Military Station of Bangalore, and B. Venkat Rao, an arrack vend farmer at Arsikere, have both tendered five pies for the Bangalore City alone. M. Subba Rao is the late Sheristadar of Messrs. C. Papanna and Co., late arrack contractors, and he appears to have taken up the Ganja Contract of the Civil and Military Station from 1st April 1893. I believe he is capable of carrying on the business connected with the Bangalore City Depôt. B. Venkati Rao is a stranger to Bangalore, and is not likely to be able to cope with the business satisfactorily. I have retained the deposits of both these tenderers for the consideration of Government. Under all circumstances, I think it is most convenient to have only one contractor both for the Bangalore City Depôt and Mofussil Depôts.

4. At the request of Mr. Ewart, agent of Messrs. Parry and Co., I have retained his deposit also, the deposits of all the remaining tenderers being immediately returned to them.
